Late Arrivals

- A candidate who arrives after the start time of the examination will only be given the full time if invigilators are available to supervise the exam. The school will refuse to allow any candidate who arrives more than 30 minutes late to sit the examination unless there are exceptional mitigating circumstances. A record of all late arrivals has to be notified to the exam board.
- Students must report to the Examinations Officer if they arrive later than 1 hour after the published starting time. A full written report on the JCQ form will then be sent to awarding body. However, the student will not be allowed to sit the paper if the paper has already been officially completed.
- The candidate must be warned that the awarding body may not accept their work.

Clash Candidates

- For clash candidates, the supervision of escorts, identifying a secure venue and arranging overnight supervision is the responsibility of the Examinations Officer.

Special Consideration

- Should a candidate be ill before an examination, suffer bereavement or other trauma, be taken ill during the examination itself or otherwise disadvantaged or disturbed during an examination, then is the candidate's responsibility to alert the centre, the Examinations Officer, or the examination invigilator, to that effect.
- The candidate must support any special consideration claim with appropriate evidence within three days of the examination, for example by providing a letter from the candidate's doctor.
- The Examinations Officer will then forward a completed special consideration form to the relevant awarding body within seven days of the final examination within that certification

Examination Suite of Policies

Internal Assessment

- Internal Assessment Replaces the Largely Discontinued Term Coursework
- It is the duty of Heads of Department to ensure that all internal assessment is ready for despatch at the correct time. The Examinations Officer will assist by keeping a record of each dispatch, including the recipient details and the date and time sent, if required.

Marks and Appeals

- Marks for all internally assessed work and estimated grades are submitted to the examinations office by the subject teachers and Heads of Departments.
- Appeals against the process of internal assessments must be made by the end of May prior to certification.

Results, Enquiries about Results (EARs) and Access to Scripts (ATS)

- Candidates will receive individual result sheets on results days, either in person at the centre or by post to their home addresses.
- Arrangements for the centre to be open on results days are made by the Head of Centre, provision of staff on results days is the responsibility of the Head of Centre.

Enquiries about Results

- EARs may be requested by members of centre staff or candidates if there are reasonable grounds for believing there has been an error in marking. Information about costs, deadlines, processes and possible outcomes: the mark changing (increasing and decreasing) or staying the same is shared with candidates before consent is gained.
- The candidate's **written** consent is required before any EAR is requested and is the responsibility of the Examination Officer and Head of Department to obtain this.
- If a result is queried, the Examinations Officer, teaching staff and Head of Centre will investigate the feasibility of asking for a re-mark at the centre's expense.
- When the centre does not support a candidate's or parent's request for an EAR, a candidate may apply to have an enquiry carried out. If a candidate requires this against the advice of subject staff, they must pay via ParentPay on request of the EAR.
- If an EAR results in a change of overall unit or award grade, the candidate will be reimbursed the cost of the EAR.

Access to Scripts

- Centre staff may request scripts for investigation or for teaching purposes. For the latter, the consent of candidates written consent must be obtained, **unless anonymised**.

Certificates

- Certificates are presented in person and collected and signed for
- Certificates can be collected on behalf of a candidate by third parties, provided they have been authorised and have written proof to do so. The centre retains certificates for one year.
- A record of all certificates destroyed by the centre of kept for 4 years from the date of their destruction.

Internal Appeals Policy

In accordance with the Code of Practice for the conduct of external qualifications produced by QCA, Enfield County School is committed to ensuring that:

- internal and controlled assessments are conducted by staff who have the appropriate knowledge, understanding and skills
- assessment evidence provided by candidates has been produced and authenticated according to the requirements of the specification
- the consistency of the internal and controlled assessment is secured through internal standardisation as necessary
- members of staff responsible for internal standardisation attend any compulsory training sessions

Written Appeals Procedure

Each awarding body publishes its arrangements for appeals against its decisions. In addition, an appeal can be made to the school concerning internal assessment such as NEAs / Controlled Assessment / Coursework. The appeal applies only to the procedures used in arriving at internal and controlled assessment decisions and does not apply to the judgements themselves; you cannot appeal against the mark or grade, only the procedures used.

The parent or guardian must make the appeal, in writing, to the School's Examinations Officer: appeals should normally be made by 30 April for examinations in the June series.

This deadline may be extended in exceptional circumstances, in situations where the coursework and controlled assessment marking and moderation schedule extends beyond this time.

The enquiry into the internal process will normally be led by the Assistant Head Teacher, provided that neither has played any part in the original internal or controlled assessment process. If they have had a part to play, the Head of Centre will nominate another member of the Senior Leadership team, such as the Deputy Headteacher for Curriculum to lead the enquiry

The teacher making the assessment will be able to respond to the appeal in writing, and a copy will be sent to the appellant.

The enquiry will consider whether the procedures used for the internal and controlled assessment were in conformity with the published requirements of the Awarding Body and the 'Code of Practice'.

The appellant will be informed, in writing, of the outcome of the appeal, including:

- relevant communications with the Awarding Body
- any steps taken to further protect the interest of the candidates

If the appellant is unhappy about the response in writing, he/she can ask for a personal hearing, where the panel will consist of two persons not previously involved; normally the Head Teacher and a member of the Governing body.

Note: Each awarding body specifies detailed criteria for the internal assessment of work. In addition, the awarding body must moderate the assessment and the final judgement on marks awarded is that of the awarding body. Appeals against matters outside the School's control will not be considered in the School's appeals procedure.

Please see Appendix 1 and 2 for more information.

Enquiries about Results (Re-Marks)

In cases of Enquiries about Results, where the school does not uphold a request for such an enquiry, the student may pay to have an enquiry carried out. Where the student wishes to challenge the decision not to hold an enquiry or consequent appeal, a similar procedure to that mentioned above will be carried out.

For Risk Management of Controlled Assessment See Appendix 3

Plagiarism and the use of Artificial Intelligence

We would draw your attention to the following guidance for non-exam assessed work as failure to abide by this is likely to be considered malpractice and may result in severe sanctions, including disqualification: Students must not:

- submit work which is not their own;
- make available their work to other candidates through any medium;
- allow other candidates to have access to their own independently sourced material;
- assist other candidates to produce work;
- use books, the internet or other sources, including artificial intelligence (AI) without acknowledgement or attribution; if any sections of their work are reproduced directly from AI generated responses, those elements must be identified and the student must understand that they will not be awarded marks for this work
- misuse AI such that the work that is submitted for assessment is not their own. In doing this they will have committed malpractice, in accordance with JCQ regulations, and may be liable for severe sanctions;
- submit work that has been word processed by a third party without acknowledgement;
- include inappropriate, offensive or obscene material;
- publicise their work, e.g. by posting it on social media.

Please refer to the Malpractice Policy for more detailed understanding of how you can prevent committing malpractice through plagiarism or use of AI and the processes that we will follow if suspected malpractice takes place.

BTEC Enrolment Guidelines, Assessment, Internal Verification and Appeals Policy

Enrolment Guidelines

Members of staff use the same enrolment guidelines when interviewing students for courses and provide consistent information and advice to ensure that students undertake appropriate qualifications and lead to improvements in retention and attainment.

Advise students of the courses on offer via the Option and Curriculum Booklets and an Options Open Evening.

At this event students and parent/carers are urged to speak to course leaders regarding the suitability of a course. The guidelines are not static. Each year they are reviewed and revised if necessary: for example, if departments introduce new qualifications at different levels.

Matching Students to Programmes

Every student interviewed is given a course offer. Entry requirements and predicted grades are considered key to a realistic and accurate offer of a place and this is communicated to the applicant early in the process. Alternative courses are offered to applicants whose course choices do not match their predicted grades. Once students have their actual grades the course offer is reviewed.

Assessment Policy - Key Aims

To ensure that assessment methodology is valid, reliable and does not disadvantage or advantage any group of learners or individuals.

To ensure that the assessment procedure is open, fair and free from bias and to national standards.

To make sure that there is accurate and detailed recording of assessment decisions. In order to do this, the centre will:

- give a chance for resubmission dependency on the course route followed.

Internal Verification - Aims

1. To ensure that internal verification is valid and reliable, and covers all assessors and programme activity.
2. To ensure that the internal verification procedure is open, fair and free from bias.
3. To ensure that there is accurate and detailed recording of internal verification decisions.

In order to do this, the centre will:

- ensure that all centre assessment instruments are verified as fit for purpose
- verify an appropriately structured sample of assessor work from all programmes, sites and teams, to ensure centre programmes conform to national standard requirements
- plan an annual internal verification schedule, linked to assignment plans

- use the outcome of internal verification to enhance future assessment

BTEC Appeals - Aim

1. To enable the learner to enquire, question or appeal against an assessment decision.
2. To attempt to reach agreement between the learner and the assessor at the earliest opportunity. To standardise and record any appeal to ensure openness and fairness.
3. To facilitate a learner's ultimate right of appeal to the awarding body, where appropriate. To protect the interests of all learners and the integrity of the qualification.

In order to do this, the centre will:

- inform the learner, at induction, of the Appeals Policy and procedure
- record, track and validate any appeal.
- forward the appeal to the Quality Nominee when a learner considers that a decision continues to disadvantage her/him
- keep appeals records for inspection for a minimum of eighteen months
- have a staged appeals procedure.
- take appropriate action to protect the interests of other learners and the integrity of the qualification, when the outcome of an appeal questions the validity of other results
- Monitor appeals to inform quality improvement

Appeal Process

The policy, relating to Internal Assessment Decisions and Examination Results, is to help ensure that the school's appeals procedure contains the essential elements of transparency, right of hearing, independence in the hearing and a written record of outcomes.

The Deputy Headteacher is the nominated senior member of staff to manage appeals. The Examinations Officer will be responsible for disseminating information to all candidates and their carer/s about the appeals procedures and for informing the Head Teacher about the existence and outcome of all such appeals.

Internal Assessments

- Appeals regarding coursework/internal assessments must be made in writing within two weeks of the Internal Verification Process for that unit following grade and feedback to the Quality Nominee.
- The teacher(s) concerned in making the assessment, which is the subject of the appeal, will see a copy of the appeal and in conjunction with their Head of Department or Assistant Head Teacher, respond in writing. A copy will be sent to the candidate.
- If candidates are not happy with the written response they have received, then they will be entitled to a personal hearing. Reasonable notice will be given of the hearing date and the candidate will have sight of all the relevant documents (e.g. The marks given, the assessment made) to the case in advance of the

hearing. Where candidates are presenting their own cases, they will be allowed to be accompanied by a (single) carer/friend. The teacher(s) and the candidate will have the opportunity to hear each other's submission to the panel at the hearing.

- The Appeals Panel will comprise at least two individuals who had not previously dealt with the particular case, such as the Head Teacher and a Governor.
- A written record of all appeals will be kept outlining the outcome of the appeal and reasons for that outcome. A copy will be sent to the candidate and, where appropriate, to the carer/s within a two week period following the hearing.
- The Awarding Body will be informed if there is any change to an internally assessed mark as a result of an appeal.

Examination Results

- Appeals regarding examination results should be made in writing to the Examinations Officer stating the details of the complaint and the reasons for the appeal. All appeals must be received within 7 days of the publication of results to allow sufficient time for a fair hearing.
- The school is aware of the need to resolve speedily any internal dispute or appeal against any internal assessment decision, since the Awarding Bodies cannot change the dates on which certificates are printed and issued. All appeals must be dealt with by the date set as the deadline for enquiries about results by the Examination Boards.
- Appeals initiated by parents will attract a fee. The fee will be reimbursed to the parents, by the school, if the grade is improved.

Enquiries about Results (Re-marks)

In cases of Enquiries about Results, where the school does not uphold a request for such an enquiry, the student may normally pay to have an enquiry carried out. Where the student wishes to challenge the decision not to hold an enquiry or consequent appeal, a similar procedure to that mentioned above will be carried out.

Note: Each awarding body specifies detailed criteria for the internal assessment of work. In addition, the awarding body must moderate the assessment and the final judgment on marks awarded is that of the awarding body. Appeals against matters outside the School's control will not be considered in the School's appeals procedure.

Resilience and Contingency Plan for Examinations at Enfield County School for Girls

This policy is based on the [Joint Contingency Plan published by Ofqual](#) and should be read alongside it.

This plan complies with JCQ general regulations (section 5) in that:

The centre agrees to “have in place a written examination contingency plan/examinations policy which covers all aspects of examination administration. This will allow members of the senior leadership team to have a robust contingency plan in place, minimising risk to examination administration, should the examinations officer be absent at a crucial stage of the examination cycle;”

Aims

The contingency plan is designed to ensure that the school responds in a consistent and effective manner in the event of major disruption to the examinations system. It complements the plan already in place, the processes and procedures already set out by the examination boards.

The plan will be implemented in the event of major disruption to the examination system and as widespread illness, travel disruption, bad weather and power failures. Any actions taken will be subject to the advice of the official agencies dealing with the specific circumstances being faced; e.g. the Metropolitan Police, Environment Agency, Public Health England.

The plan will be implemented to safeguard the interests of candidates while maintaining the integrity of the examination system and safeguarding qualification standards.

The priority when implementing the contingency plan will be to maintain three principles:

- Delivering examinations/assessments to published timetables
- Delivering results to published timetables
- Complying with regulatory requirements in relation to assessment, marking and standards

Communications

In the event of major disruption, communication is a key factor in ensuring an effective and consistent response. [Details of specific agreed contingencies will be confirmed on the Ofqual website.](#)

Candidate Information Reviews of Marking - Centre Assessed Marks (GCSE controlled assessments, GCE coursework, GCE and GCSE non-examination assessments)

Enfield County School for Girls is committed to ensuring that whenever its staff mark candidates' work this is done fairly, consistently and in accordance with the awarding body's specification and subject-specific associated documents.

Candidates' work will be marked by staff who have appropriate knowledge, understanding and skill, and who have been trained in this activity. ECSfG is committed to ensuring that work produced by candidates is authenticated in line with the requirements of the awarding body. Where a number of subject teachers are involved in marking candidates' work, internal moderation and standardisation will ensure consistency of marking.

1. ECSfG will ensure that candidates are informed of their centre assessed marks so that they may request a review of the centre's marking before marks are submitted to the awarding body.
2. ECSfG will inform candidates that they may request copies of materials to be made available (marked work, mark scheme and specification) to assist them in considering whether to request a review of the centre's marking of the assessment.
3. ECSfG will, having received a request for copies of materials, promptly make them available to the candidate. This will either be the originals viewed under supervised conditions or copies.
4. ECSfG will provide candidates with sufficient time normally at least five working days, in order to allow them to review copies of materials and reach a decision.
5. Requests for reviews of marking must be made in writing by the candidate using form R2, the deadline for which is on the form. Requests will not be accepted after this deadline. Requests must be made in writing and candidates must explain on what grounds they wish to request a review.
6. ECSfG will allow sufficient time for the review to be carried out, to make any necessary changes to marks and to inform the candidate of the outcome, all before the awarding body's deadline.
7. ECSfG will ensure that the review of marking is conducted by an assessor who has appropriate competence, has had no previous involvement in the assessment of that candidate for the component in question and has no personal interest in the review.
8. ECSfG will instruct the reviewer to ensure that the candidate's mark is consistent with the standard set by the centre.
9. The candidate will be informed in writing of the outcome of the review of the centre's marking.
10. The outcome of the review of the centre's marking will be made known to the head of centre. A written record of the review will be kept and made available to the awarding body upon request. The centre will inform the awarding body if it does not accept the outcome of a review.
11. A request for a review of marking is not an opportunity for a candidate to resubmit any of the completed work.
12. A request for a review of written work costs £35 and must be paid via ParentPay before the deadline on form R2.

After candidates' work has been internally assessed, it is moderated by the awarding body to ensure consistency in marking between centres. The moderation process may lead to mark changes. This process is outside the control of Enfield County School for Girls and is not covered by this procedure. The moderation process carried out by the awarding bodies may result in a mark change, either upwards or downwards, even after an internal review. The internal review process is in place to ensure consistency of marking within the centre, whereas moderation by the awarding body ensures that the centre marking is in line with national standards. The mark submitted to the awarding body is subject to change and should therefore be considered provisional.
