Dear Parent/Carer

Uniform

Thank you for supporting your daughters and our school by ensuring that our full school uniform policy is followed at all times. This is appreciated by us in school.

Our students returned to school in September with uniform being worn well and this must be maintained during the course of the year.

In order to ensure standards are maintained throughout the day, students should arrive at school in correct uniform and will be expected to leave school dressed in the same way.

May I remind parents/carers that school trousers must only be the school issue dark navy with the school badge for ALL current year 7-9 students and for students in years 10 and 11 when purchasing new school wear.

Kilts should be worn with either black or navy knee length socks or tights. Leggings under the school kilt are not permitted.

All school blouses should have the revere open collar, however the blouse with the school badge on is optional.

If a vest or undergarment is worn under the school blouse, it should not be visible above the neckline or extend beyond the sleeves.

Headscarves and coverings must be either plain black, dark navy or bottle green (to match the colours in the school kilt and of the school blazer and jumper). These should be worn on their own with nothing underneath and with no embroidery or beading of any kind.

For PE, please ensure your daughter has the navy/green polo shirt and shorts with the school logo, accompanied by navy or white socks. Given the dropping temperatures, students may wear navy jogging bottoms or leggings, along with either the PE navy/green tracksuit top bearing the school logo or a plain navy jumper without a hood. It is important to note that black items and green school jumpers are not permitted for PE.

With the colder winter months approaching it might be a good idea to purchase a school jumper if your daughter does not already have one as alternative layers (such as hoodies) are not part of our school uniform policy. A reminder that winter coats should be plain in colour with no logos. From Monday 13 November students will **not** have to remove their coats as they line up or enter the building, however must do so before entering their lessons. Coats must be worn over blazers and blazers should not be carried. If your daughter has her coat on and is carrying her blazer, she will be expected to remove her coat and put her blazer on.
