* In the morning, you must be at line-up by 8:30am. It takes 15mins to line-up, be seated and read the exam instructions. The morning exams start at 9:00am sharp.

* If you are late, and have a morning exam, you must sign in and report to the gym. You will sit your exam on 'late desks' outside the gym to avoid disrupting the exam. After each morning exam, you will be given a 15 min break and then go to your lessons.

* In the afternoon, there will be a line-up at 1:10pm to start at 1:30pm sharp. Once your exam is finished you will either return to lessons or be dismissed from school.

* Exam clashes – if you see an exam clash, please speak to Ms Smith asap.

* Please check the Y11 exam notice board for your candidate number and notices.
