About PAC-UK

In 2014 PAC (founded 1986) and After Adoption Yorkshire (AAY, founded 1994) merged to form PAC-UK, the largest independent adoption support agency in the country.

PAC-UK's vision is that all people affected by adoption and other forms of permanence are supported and enabled to live their lives to the full.

Each year PAC-UK receives around 3,000 requests for help from people affected by adoption or other forms of permanent care, as well as the professionals who support them.

PAC-UK is an independent charity which provides a confidential service. We have particular expertise in working with minority ethnic children, families and adults and with transracially adopted children and adults.
