17 June 2025

Dear Parents/Carers

Upper School Kitchen Closure

Over the summer holidays, the Local Authority will be carrying out refurbishment on the main school kitchen at the Upper Site. This work is to improve our facility and the quality of our offer to students.

In preparation for this project, preliminary work will begin week commencing Monday, 23 June until the end of term. As a result, the main kitchen will be closed for this period. However, food will still be provided - prepared at our lower site kitchen - and served in the main hall as usual, albeit with a limited menu.

Please note that the Local Authority has advised that, due to the scale of the refurbishment, the project may extend into the new term in September. They have assured us that they will make every effort to complete the work before the start of the new academic year, but with a project such as this it is not possible to be certain.

We apologise for any inconvenience this may cause your daughter during this time.

We kindly ask that you do continue to top up your daughter's [ParentPay](#) account weekly in order for her to continue to access our school lunch offer until the end of term.

Thank you for your continued support.

Yours sincerely

Jennifer Gumbrell
