Dear resident or business owner,

Following the successful implementation of 26 School Streets across the borough, Enfield Council are expanding the initiative to more schools. We are now proposing a School Street on Rosemary Avenue, Primrose Avenue, Lavender Road and Hawthorn Grove for Enfield County School for Girls (Lower School).

This is part of Enfield Council's Journeys and Places programme, which helps people in Enfield make more sustainable daily journeys – supporting healthier lives and a greener borough.

The school is located on Rosemary Avenue and immediately east of the Lavender Primary School which is already served by a School Street. The proposed school street will combine with this existing scheme to create one closure across both schools.

A School Street is a pedestrian and cycling zone outside a school that operates at drop-off and pick-up times Monday to Friday during term time. School Streets aim to:

- Reduce traffic near school gates, making it safer for children arriving and leaving school.
- Improve the air quality near the school.
- Encourage more young people to walk, wheel or cycle to and from school.

When the School Street zone is in operation during the designated hours, motor vehicles will not be able to enter zone. Access will only be allowed for exempt vehicles with a permit or emergency services. Exemptions apply to:

- Residents living with the zone.
- Businesses within the zone.
- Blue Badge holders requiring access to the school.
- School staff under exceptional circumstances.

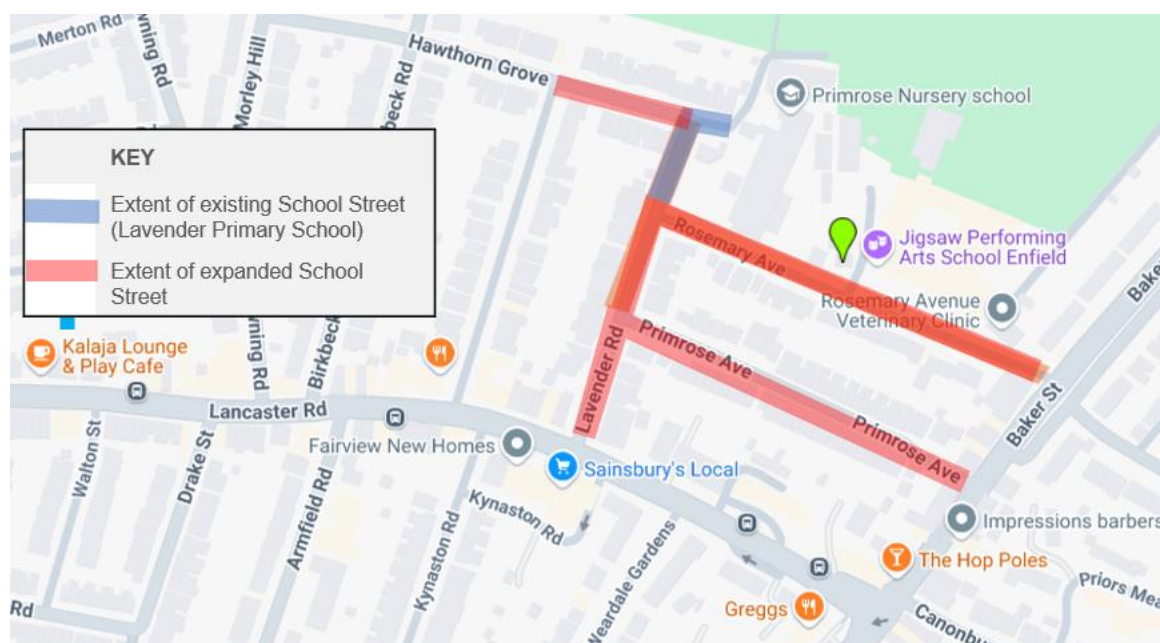

Further information about School Streets and how they operate can be found at <https://letstalk.enfield.gov.uk/schoolstreets>.
