Dear Parent/Carer

GCSEPod for Years 7, 8 and 9

Enfield County School for Girls has invested in [GCSEPod](#), the award-winning digital revision platform used by over 1,250 schools worldwide. Although your daughter has not yet started her GCSE qualifications, GCSEPod is still very relevant for her.

Your daughter just needs to activate her account by following the instructions below.

Instructions for students to activate their GCSEpod account

- Go to <https://members.gcsepod.com/login/>
- Click 'I'm new to GCSEpod.'
- Enter your child's name, date of birth and the school name.
- Create a username, password, and a password hint to help her remember the password.
- Download the GCSEpod app on to your daughter's mobile phone.

Once your daughter has done this, she will have access to GCSEPod's library of over 6,000 'Pods,' **3-5 minute videos** designed to deliver knowledge in short bursts. GCSEPod makes learning and revision much more manageable and has **Pods** aimed at **Key Stage 3 students in Years 7, 8 and 9** for each of her subjects.

Every Pod contains all facts, quotes, keywords, dates and annotated diagrams and is accompanied by 'check and challenge quiz questions' to practice knowledge recall.

One of the best things about GCSEPod is that you can **download any Pod to your daughter's mobile device**, and then she can watch them at any time, in any place, with or without internet. Make sure you download the GCSEPod app from the App Store (Apple and Android are supported) to access this feature.

I would ask that you **check with your daughter** that she has successfully activated her account and encourage her to make use of this resource.

For more ways to support your daughter using GCSEPod, please visit www.gcsepod.com/parents where you will find lots more information and resources.

If your daughter needs help to activate or login to her account, please ask her to see me or her Progress and Achievement Leader.

Yours sincerely

Mrs O'Brien
