25 March 2026

Dear Parents and Carers

Industrial Action

I am writing to inform you of upcoming industrial (strike) action taking place this Friday 27 March - our end of term half day with the dismissal of students at 12.00pm.

This action relates to a local dispute between the school, as the employer, and the National Education Union (NEU) regarding opposition to some of our adopted model Local Authority policies.

Eligible members of staff have the legal right to participate, and are under no obligation to inform me of whether or not they intend to do so, which makes the reviewing of likely staffing levels for that day difficult.

My intention however is that our school will operate as close to as intended, as possible, including end of year achievement assemblies for years 7-11; with the previously communicated half day finish time of 12.00pm.

Do please ensure that your daughter brings her reading book and some revision study material in to school with her in case of necessary changes to the running of the school day based on staffing levels and my ensuring that arrangements remain safe and appropriate.

I will of course keep you updated if anything changes between now and Friday's strike day.

I thank you for your continued support and wish you a good break with your daughter, family and friends when it arrives.

Kind regards

Jennifer Gumbrell
