8 July 2026

Dear Parents and Carers

Prolonged Spell of Hot Weather

Following my communication of yesterday I am writing to confirm that your daughter may wear her PE kit to school for Thursday and Friday of this week if she wishes to do so.

Please ensure that she comes to school with a filled water bottle, which she will be encouraged to keep topped up at break and lunchtimes.

I also encourage her to wear a hat and to apply sun screen before leaving to come to school and if necessary again during the lunch period.

We will keep the school halls at each site open over the lunch period for students who prefer to stay inside, out of the sun and will do our best to keep as much air flow through the buildings as we are able to.

There is an amber weather warning in place for the remainder of this week with the temperature currently predicted to peak tomorrow when it will feel very warm in areas of the school; returning to a more seasonal average for the final week of term.

Best wishes

Jennifer Gumbrell
Headteacher
