Dear Parents and Carers

Welcome back to our ECSfG Autumn term

I do hope that the long summer break provided your daughter with a welcome break and that she has returned to school ready for the term ahead.

It has been a pleasure and a privilege to welcome new year 7 and 12 students to our school and begin the next stage of their education journey and seeing all students moving up to their next year group.

The first week back to school can be an anxious time for some students and parents and if this is the case do not hesitate to contact us here in school. As a school community of which you and your daughter belong to, we work hard and are committed to ensuring that all students settle well and are happy and want to support in any way that we can to make this happen.

We were delighted with our Year 11 and 13 summer examination results. We congratulate all of our students on what they have achieved and wish them all the very best for what comes next.

A large proportion of our year 11 students have decided to remain with us for their post 16 education, which is wonderful; along with students from a range of other schools who have joined us for post 16. We are a comprehensive and inclusive school and 6th form which I consider to be a real strength of our school and the best environment for all students to learn, achieve and make their way towards adulthood and the future.

As always, there will be a lot happening this term outside of day to day classroom based learning and I encourage your daughters to become involved in the broad range of enrichment opportunities offered.

Our school website is an excellent source of information about what is happening here across the school and in addition to this you will receive regular written communication over the course of this year.

All parents and carers have been contacted this week regarding free school meals and encouraging you to check your availability as to whether you may be eligible for this support. Lots of our families experience financial hardship and if you are eligible I urge you to apply.

See the links below:

Free school meal application form to email directly to the Local Authority for processing at: freeschoolmeals@enfield.gov.uk

Further information on Free School Meals and eligibility can be found at the following link: <https://www.enfield.gov.uk/services/children-and-education/school-welfare-and-information/school-meals#how-to-apply-for-free-school-meals>.

Onward Ever, Together

Our school Governing Body are in the process of appointing to the position of Headteacher to join the school in January following my retirement at the end of this Autumn term and you will be informed of this news when the process is complete.

In the meantime I am really looking forward to leading our school community this term, and thank you for your continued support of your daughters and our school.

With love and best wishes

Jennifer Gumbrell
Headteacher
