4 November 2026

Dear Parent/ Carer

School Uniform

Thank you for supporting your daughters and our school by ensuring that our full school uniform policy is followed at all times. This is appreciated by us in school.

With the colder winter months approaching it might be a good idea to purchase a school jumper if your daughter does not already have one, as alternative layers (such as hoodies) are not part of our school uniform policy. On rainy days students are encouraged to bring a small umbrella or wear a coat with a hood.

You may also wish to purchase thicker tights to be worn with the school kilt as additional socks worn on top of tights and leg warmers are also not part of our winter school uniform and students will be advised to remove them if worn.

A reminder that winter coats can be in any colour but should be plain with no logos. From Monday 9 November students will **not** have to remove their coats at line up but should remove them as they enter the building.

Coats must be worn over blazers and blazers should not be carried. If your daughter has her coat on and is carrying her blazer, she will be expected to remove her coat and put her blazer on. If this occurs regularly your daughter should expect a further sanction which could include detention or time in our inclusion provision 'Onward'.

Boots of any kind are not allowed, however in the event of severe weather such as snow, parents will be contacted and informed of any temporary uniform adjustments.

Please also note that during any cold and rainy weather your daughter may eat her packed lunch indoors in the assigned area, but that all students will be directed to spend time outdoors at break and lunch time wherever possible during the winter to ensure fresh air and a break from being indoors.

If you have any concerns regarding our school uniform or are experiencing financial difficulty relating to this, please contact Mrs O'Brien at ecsgeneral@enfieldcs.enfield.sch.uk

Yours sincerely

Helen O'Brien
Deputy Headteacher
